MARINA SATTI

MARINA SATTI

Singer, songwriter and music producer Marina Satti was born in Athens, Greece to a Sudanese father and Cretan mother.

Marina graduated in classical piano, advanced music theory and classical singing, before receiving a scholarship from the internationally acclaimed Berklee College of Music. At Berklee, Marina studied orchestration, production and jazz, while working with renowned artists, such as Danilo Perez and Jamie Haddad, among others. Having represented Greece in the European Jazz Orchestra (EBU) with works by Peter Herbolzheimer, she performed at the John F. Kennedy Center in Washington D.C. with World Jazz Nonet and participated in the a cappella vocal group “The Singing Tribe” in collaboration with Bobby McFerrin. Marina Satti has developed a unique sound that combines the different musical traditions she grew up with, such as Greek, Arabic and Balkan with urban elements and rhythm.

Marina Satti can be at the same time pop, urban and mainstream, as she can, effortlessly, be lyrical, folk and experimental, following a unique path by blending different music genres.

Following the release of her debut album YENNA (2022), Marina released TUCUTUM (2023): a Greek song which went viral, with humorous references to the Balkan trap trends. She was later signed by Golden Records and Minos EMI, a Universal Music Company.

In her Eurovision entry ZARI (which means “Dice”), Marina fuses traditional Greek and Balkan music (zournas) with urban vibes and pop / rap influences, choosing to sing in her native Greek language, while also using some phrases in English.

ZARI aims to showcase the connection of Greece’s rich tradition, history and popular culture with the country’s modern, “new” generation; a fresh and contemporary music proposal that pushes the music boundaries and unapologetically shows what Greece has to offer.

ZARI

Πόνος μη μας έρθει μακάρι
Πέφτω και κυλιέμαι σα ζάρι
Κάνω πως ξεχνάω τ' όνομά σου
Κι όλα αλλάζουν γύρω μου απότομα

Ο άνεμος για που θα μας πάρει
Πέφτω και κυλιέμαι σα ζάρι
Κάνω πως ξεχνάω τ' άρωμά σου
Κι όλα αλλάζουν γύρω μου

I'm gonna do it my way
Στο μυαλό σου θα μπαινοβγαίνω
Γιατί δε μου 'δωσες το χέρι
Ούτε για να πιαστώ
Κάποτε είχα πόνο για σένα κρυφό
Τ'αφήνω όλα να βγούνε

Páme put your hands up
Κάνω ότι δεν ήτανε ψέμα
Ρίξε άλλη μια τελευταία φορά
Κι άσε να μας φέρει ό,τι θέλει μετά
(TA TA TA TA TA TA)

(TA TA TA TA TA TA)
Κι άσε να μας φέρει ό,τι θέλει μετά
TA TA TA TA TA TA
Να μας φέρει ό,τι θέλει
(TA TA TA TA TA TA)
Κι ας είναι να μας φέρει ό,τι θέλει μετά
(TA TA TA TA TA TA)
Να μας φέρει ό,τι θέλει

Να μη θυμηθώ
Τις ώρες που κόντευα να τρελαθώ
Άσε να μη θυμηθώ
Δεν πίστευες
Το κάρμα ότι είναι αληθινό

Páme put your hands up
Κάνω ότι δεν ήτανε ψέμα
Ρίξε άλλη μια τελευταία φορά
Κι άσε να μας φέρει ό,τι θέλει μετά
(TA TA TA TA TA TA)

Μόνη κι αν μένω
Πάντα σε περιμένω
Τρέμω σαν φλόγα
Σαν σπίρτο αναμμένο
Όταν χαράζει
με τρώει το μαράζι
μόνη πεθαίνω αν είσαι αλλού

(TA TA TA TA TA TA)
Κι άσε να μας φέρει ό,τι θέλει μετά
(TA TA TA TA TA TA)
Να μας φέρει ό,τι θέλει
(TA TA TA TA TA TA)
Κι ας είναι να μας φέρει ό,τι θέλει μετά
(TA TA TA TA TA TA)
Να μας φέρει ό,τι θέλει

Πόνος μη μας έρθει μακάρι
Πέφτω και κυλιέμαι σα ζάρι
Κάνω πως ξεχνάω τ' όνομά σου
Κι όλα αλλάζουν γύρω μου απότομα

Ο άνεμος για που θα μας πάρει
Πέφτω και κυλιέμαι σα ζάρι

May pain not come to us
I fall and move like dice
I pretend to forget your name
And everything changes around me abruptly

Where will the wind take us?
I fall and roll like dice
I pretend to forget your scent
And everything is changing around me

I'm gonna do it my way
I'll come in and out of your mind
You never gave me
a hand to hold
I used to want you secretly
Now I'm letting it all go

Let's go put your hands up
Pretend it wasn't a lie
Fall one last time
And let whatever happens happen
(TA TA TA TA TA TA)

(TA TA TA TA TA TA)
And let whatever happens happen
TA TA TA TA TA TA
And let whatever happens happen
(TA TA TA TA TA TA)
And let whatever happens happen
(TA TA TA TA TA TA)
And let whatever happens happen

I don't want to remember
The hours where I almost went crazy
Let me not remember
You didn't believe
that karma was real

Let's go put your hands up
Pretend it wasn't a lie
Roll it one last time
And let whatever happens happen
(TA TA TA TA TA TA)

Even if I stay alone
I will always be waiting for you
I'm trembling like a flame
Like a lighted up match
When the dawn comes
I pine away
I die alone if you are not here

(TA TA TA TA TA TA)
And let whatever happens happen
(TA TA TA TA TA TA)
let whatever happens happen
(TA TA TA TA TA TA)
And let whatever happens happen
(TA TA TA TA TA TA)
let whatever happens happen

May pain not come to us
I fall and move like dice
I pretend to forget your name
And everything changes around me abruptly

Where will the wind take us?
I fall and roll like dice
I pretend to forget your scent
And everything is changing around me abruptly

(TA TA TA TA TA TA)
And let whatever happens happen
(TA TA TA TA TA TA)
let whatever happens happen
And let whatever happens happen
(TA TA)

And everything is changing around me abruptly
